

**SPECIAL SELECTBOARD MEETING
RICHFORD, VERMONT**

March 3, 2014

Chair Linda Collins called the special meeting to order at 1:00 PM with members Harold Foote, Wayne Hurtubise, Chris Martel and Norris Tillotson present. Also present were Laura Ovitt and Tim Green.

The meeting was called to review issues that might be raised at the town meeting information session this evening.

The board discussed the proposed pick-up truck for the highway department.

Norris Tillotson reported he has ordered new locks for the water and wastewater treatment plants.

The board will need to purchase jersey barriers to secure an impoundment area for cars towed during the winter parking ban.

The board determined to use the Kabota mower at the playground and memorial park.

Norris Tillotson reported the frack tanks needed for sludge removal at the sewer plant have decreased in price from about \$23,000 to about \$12,000.

Chris Martel distributed new phone numbers for SOS employees.

The board discussed an anonymous letter that has been circulated. Tim Green said he had nothing to do with the letter.

Harold Foote, noting this is his last meeting, complimented the board on their working relationship and Linda Collins for her performance as chair.

The meeting adjourned at 2:05 PM.
